##### South Darfur – no change from last report

###### ► Background

Heavy fighting has taken place in the East Jebel Mara (EJM) area since early February and is ongoing. The Humanitarian Country Team and UNAMID are monitoring the situation and working to gain access for agencies to assess the humanitarian situation.

Newly displaced households from the EJM, Kass and Yara areas were reported to have arrived in Kalma Camp between 26 April and 3 May. An assessment of needs is pending.

Inter-tribal fighting between 26 April and 3 May has led to displacements in the Unity locality.

Cross border fighting displaced households in Buram.

Returnee households were reported to have arrived in Muhajeria by IOM.
